For more than six decades, The Beach Boys' music has been an indelible part of American history. Their brilliant harmonies conveyed simple truths through sophisticated, pioneering musical arrangements. The Beach Boys transcended their music and have come to represent Californian culture. They provided fans around the world with a passport to experience love, youthful exuberance, and surf culture. Founded in Hawthorne, California in 1961, The Beach Boys were originally comprised of the three teenaged Wilson brothers: Brian, Carl, and Dennis, their cousin Mike Love, and school friend Al Jardine. The Beach Boys signed with Capitol Records in July 1962 and released their first album, Surfin' Safari, that same year.

The Beach Boys are one of the most critically acclaimed and commercially successful bands of all time, with over 100 million records sold worldwide. Between the 1960s and today, the group had over 80 songs chart worldwide, 36 of them in the US Top 40 (the most by a US rock band), and four topping the Billboard Hot 100. Their influence on other artists spans musical genres and movements. Countless artists have cited Pet Sounds as their inspiration for creating their own musical masterpieces. Rolling Stone ranked Pet Sounds No. 2 on its list of the "500 Greatest Albums of All Time," and The Beach Boys No. 12 on its list of the "100 Greatest Artists of All Time."

Inducted into the Rock & Roll Hall of Fame in 1988 and recipients of The Recording Academy's Lifetime Achievement GRAMMY Award®, The Beach Boys are a beloved American institution that remains iconic around the world.

The Black Crowes at Hard Rock Hotel and Casino Sacramento

Hard Rock Live Sacramento

3317 Forty Mile Road

Wheatland, CA 94621

07:30 PM - 10:00 PM PST

Hard Rock Live Sacramento, 833-337-3473

INFO@HRHCSAC.COM

Due to the cancellation of the Aerosmith Tour, The Black Crowes show on 11/29 at Hard Rock Live Sacramento has been rescheduled to Saturday, November 30th. Original tickets will be honored at the new show date and ticketholders will receive an email directly with more information.

The Black Crowes are leaving the bullshit in the past. 15 years after their last album of original music, the Robinson Brothers present Happiness Bastards— their 10th studio album. Some may say the project has been several tumultuous years in the making, but we argue it's arriving at just the right time. Call it brotherly love or music destiny that brought them back together, the highly anticipated record consecrating the reunion of this legendary band just may be the thing that saves rock & roll. In a time where the art form is buried beneath the corporate sheen of its successors, The Black Crowes are biting back with the angst of words left unsaid penned on paper and electrified by guitar strings, revealing stripped, bare-boned rock & roll. No gloss, no glitter, just rhythm and blues at it's very best – gritty, loud, and in your face.

Since The Black Crowes reunited in 2019, they've made a triumphant return to form with over 150 shows spanning 20 countries worldwide, celebrating the 30th anniversary of Shake Your Money Maker, the album that put them on the map. Upon their return from the road, they knew they needed something new to show for their lost time. The Robinson Brothers and longtime bassist Sven Pipien headed to the studio with producer Jay Joyce in early 2023 and the experiences of years past transcribed themselves through the music as the band found their way back to their roots. And it's finally here –Happiness Bastards is out March 15, 2024

Mr. Speed: A Night of Kiss at Hard Rock Live Sacramento

Hard Rock Live Sacramento

3317 Forty Mile Road

Wheatland, CA 94621

08:30 PM - 10:00 PM PST

Hard Rock Live Sacramento, 833-337-3473

INFO@HRHCSAC.COM

Every great relationship starts with a kiss. You have now taken the first step in giving your event that pulse racing effect that your fans demand. Our tribute is a real labor of love, one that lives and breathes the true essence of what it means to be a fan.

MR.SPEED believes that to do what you love you have to love what you do.

For over 30 years every time we have taken the stage we have done so first as fans, just like you. Our experience speaks for itself and we want your event to be a part of our history. A history that has taken us from club shows to stadiums, from theaters to community fairs and festivals. Even sharing the stage with legendary KISS guitarist Ace Frehley in 2007 was a rock and roll dream come true for MR.SPEED.

We stand alone in a world of countless tributes in that we believe in what we do and respect the choice you have when selecting your entertainment. MR.SPEED is confident in these beliefs and we understand that in the end our professionalism, experience and devotion to our act will help to create the lasting memories that your event is striving to attain. Your success is our future.

Most recently in July of 2020 MR.SPEED competed against and bested 8 KISS Tribute bands from around the world. The TRIBUTE WARS QUARANTINED group hosted the competition in which MR.SPEED garnered more LIKES, SHARES and COMMENTS than their competitors. They also won the praise of such rock giants as Eddie Ojeda of TWISTED SISTER and Charlie Benante of ANTHRAX in the process. The ultimate prize was the distinction of being able to once again call ourselves "The Best KISS Tribute Band in the World". Relentless in their pursuits to push their limits MR.SPEED is moving into their future with their most over-the-top production to date. Celebrating the DYNASTY/UNMASKED era of KISS with a stage set that dwarfs anything that they've used in their career and that most of their contemporaries could only dream of.
